Most Respected Sir,

With profound respect and due deference I beg to submit that my son Omar Sheriff was favoured with a Scholarship of Rs 25/- per mensem to study for the L. M. S Examination at Madras. I am sorry to state that my means do not permit me to bear the heavy expenses connected therewith, of which your honor is well aware.

I beg to state that the boarding expenditure of my son comes to very nearly Rs 16/- and that his college fees amount to Rs 12½. Besides these items of expenditure I shall have to bear the cost of the medical books for his use. Thus your honor may please see that the Government Scholarship is hardly sufficient to meet the expenditure of the aforesaid two items alone, much less, can it provide my son with books.

When, being under such a difficulty, I represented my circumstances to your honor, you were kind enough to promise some help and ordered me to submit a detailed list of the books required for my son, which I beg to enclose herewith for your honor's perusal.

In conclusion, I most respectfully solicit that your honor will be graciously pleased to take my, Premises difficulties into your kind consideration and to favor me with such orders as to relieve me of my present anxieties on account of my son

Hoping to be excused for the trouble thus given

I beg always to remain,

Most Respected Sir,

Your honor's most obedient servant

H., AND CO.'S BUSINESS TERMS.

Credit Accounts.—Three months allowed to established Constituents only. Period of settlement on receipt of statement ending *31st March, 30th June, 30th September* and *31st December*; after which dates Interest will be charged at the rate of 12 per cent. per annum.

To Strangers.—Remittances to accompany orders, or goods will be forwarded by Value Payable Post. The "*value payable*" system has been found materially to facilitate business, and H. & Co. recommend this mode of paying for purchases. In all cases in which a discount is allowable for Cash payment, the necessary deduction will be made in the Memo. of advice.

Cash Payments when paid down on the counter are subject to discount. Constituents in the Mofussil can avail themselves of the Cash price by remitting on *receipt of goods.*

☞ No discount allowed on **Publications printed in India** which are priced *net* for Cash.

Books not in Stock at the time of application will, as a rule, be supplied out of the first copies that may arrive, unless countermanded.

Express Orders undertaken on the usual terms. If the order is large, half the amount to be paid in advance, the balance before delivery.

Remittances.—Small sums of Five Rupees and under, received in **Money Order. Telegraph** and **Court Fee Stamps** *not accepted.* In remitting Currency Notes by halves, the second half should follow the first by next day's post to save delay, as no order will be attended to until both halves are received.

N.B.—*In remitting by Money Order it is specially requested that the* Coupons *may be carefully filled in, particularly so when no letter of advice is forwarded. The amount remitted, the purpose for which it is remitted, and the name of the remitter should be particularized. By an omission to do this not unfrequently much confusion and inconvenience is occasioned. It is a great mistake as is sometimes done, to insert in the* Coupon *the name of the person through whom the money is paid into the Post Office instead of that of the remitter.*

Insufficient Address.—It would be a great saving of time and ensure correct delivery if addresses and Post-towns with the names of the provinces in which they are located are clearly written at the foot of the order. This latter is *absolutely* necessary when two or more towns bear the same name: as *Bhurtpore*, in Rajaputana; *Bhurtpore*, in Moorshedabad.

Miscarriage of Packets.—H. & Co. beg to impress on their Constituents, that, after the delivery of a packet at the Post Office, their responsibility ceases, and the addressee must look to the Postal authorities for redress in cases of miscarriage and loss of packets during transit. Registry of packets will ensure safe delivery, but H. & Co. do not undertake to register, except by express desire.

Mistakes of identity.—H. & Co. will feel obliged if, when ladies address the Firm, they will be so good as to enclose their cards, or give their husbands' address. This will prevent the annoyance, inconvenience and delay that frequently arise from mistake of identity.
